See All Bots Feature Bug Report

in list [Done](#)

Description [Edit](#)

When you click the button on the Duel Duo webpage labelled "See All Bots", it should load a list of all of the robots in the game. The button currently does not do anything apparent to the eye of users.

Steps to Reproduce:

- Navigate to Duel Duo webpage through command line
- Click "See All Bots" button

Expected Result:

- List of all robots available in the game

Actual Result:

- Nothing happens on the page, the list does not load

Environment:

ASUS Vivobook

Windows 11

Browser: Chrome Version 96.0.4664.45 (Official Build) (64-bit)
